**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I enjoy using a local ISP, Sonic.net Changing the way the system now works will be of no benefit to the public. The changes will only benefit the large corporate provider like AT&T, Comcast and others, the greedy pack. This is a stupid idea and is not beneficial to the public. This must be an idea of the current administration. It figures. Sigh.
